## Woodstock Weavers Guild

We are a diverse group of individuals and families in northern Illinois and southern Wisconsin who enjoy weaving, spinning and various fiber arts. Our experience levels range from beginners to weaving professionals.

We enjoy trying new weaving methods and having new weaving experiences. We typically schedule one or two Workshops each year featuring a well-known and experienced weaver.

We hold monthly Meetings from September through June in Woodstock, Illinois. Meetings begin at 9:30am on the first Wednesday of the month. Visitors are Always Welcome!

We have an annual Show that allows visitors to experience the pleasures of hand woven cloth. We also publish a monthly Newsletter which we email to each Guild Member. The Newsletter provides a wealth of information about past and upcoming activities and events.

Monthly Meetings usually have a specific topic that is designed to expand our horizons in fiber arts and

allows us to learn about new techniques. Our program schedule for the 2008-2009 Guild year is:
